

Aime's Music Services Online

Privacy Statement

Effective Date: May 1, 2011.

Aime's Music[®], Aime's Music Services[®] and the AMS moniker are trademarks of Aime's Music Services Ltd., and appear frequently throughout the Aime's Music Services website.

Aime's Music Services (from this point forward, known as AMS) contains links and a form for gathering voluntarily submitted contact information from site users.

- 1) All information obtained through the AMS website, regardless of method obtained and content, shall be treated as private and confidential in its entirety, by any and all members of AMS.
- 2) All information parsed through the AMS web form under the Contact Us heading, shall be considered voluntarily submitted with intent to contact members of AMS for the purposes of initiating business proceedings. Any information parsed from accidentally submitting the form; either complete or incomplete, shall be treated as private and confidential. In the event this occurs, a follow up communication in the form of either a telephone call, email, fax, or mail may be attempted to confirm the user's final intention.
- 3) Any and all information obtained through the AMS website or through other conventional means shall be treated as private and confidential in its entirety unless approval is otherwise given to display or communicate pertinent information for the purposes of obtaining future business proceeds, for example advertisements.
- 4) In any event, no portion of information gathered or obtained by AMS shall be sold, shared or provided by any means to any other persons outside of AMS.
- 5) All information gathered and obtained by AMS shall be specifically used by AMS solely for the purpose of providing professional services to AMS client(s) on specified dates. No other intent on the part of AMS should be inferred or communicated otherwise.
- 6) In the event the AMS server or other computers are breached through act of theft, piracy, malicious scripting or other hack attempt, or through acts of war, terrorism, or natural disaster, AMS is not responsible for the eventual use of such information that may be gleaned from its computer systems. AMS has initiated the use of updated software based firewalls, and virus protection programs to help ensure this does not occur. The safety of site user's personal information obtained is of primary concern to AMS. All reasonable measures can and will continue to be taken to ensure the safety of such information in possession of AMS.

This Privacy Statement is in effect as of the above date, and shall remain in effect until such notice is provided otherwise. AMS reserves the right to alter, or change the information in this Statement at any time, and without notice. This Statement may not be altered or changed in any way by any outside influence. This Statement is a legal statement, and may not be used to base monetary gain upon, in any way. AMS assumes no responsibility for any such action.
